General Terms and Conditions

The Independent GNLD International Distributor agrees:

The Independent Distributor Application is an honorable, legal and serious expression of the intent between the new Distributor, the Sponsor, and GNLD. When the Independent Distributor Application is signed, all parties are required to display good faith, fair dealing and ethical conduct in the pursuit of their business goals. GNLD Distributors agree to abide by the GNLD Policies and Procedures and the GNLD Code of Conduct as they are declared and as they may be amended from time to time.

GNLD Distributors further agree:

1. To make, execute and file any and all reports required by law or public authority with respect to the conduct of their GNLD distributorship business.
 2. To comply with all laws, rules and regulations applicable to the conduct of their GNLD distributorship business.
 3. That no GNLD product is intended to cure, prevent, or treat any disease or condition.
 4. To characterize and represent GNLD products in conformity with GNLD corporate claims and representations. Claims based upon non-GNLD references and research are the sole responsibility of the GNLD Distributor.
 5. To use GNLD trade names, trademarks, service marks and copyrighted materials in strict conformity to GNLD requirements.
 6. To refrain from reproducing, printing, publishing on the Internet, manufacturing, repackaging or causing others to do the same in regard to GNLD products, literature, photographs, videos and other GNLD sales aids.
7. That GNLD Distributors are independent contractors and are not employees or agents of GNLD for local, provincial, national or federal tax purposes.
 8. That GNLD Distributor recognition and achievement titles are not corporate titles or positions.
 9. That GNLD Distributors conduct their distributorships for their own accounts and that all costs of conducting a GNLD distributorship are the sole responsibility of each individual Distributor.
 10. That GNLD Distributors cannot obligate the company for any costs or expenses nor can a GNLD Distributor incur liability on behalf of the Company in any way.
 11. That this agreement is the sole and only agreement between GNLD and the Distributor, and it is not subject to change, except in writing signed by an authorized GNLD official.
 12. Goods and Services Tax (GST) Collection Agreement: By signing this application, I the Distributor hereby convey to GNLD International the authority to serve as collection agent for the sole purpose of collection and remittance of goods and services taxes on products sold to me. It is further understood that this agreement will remain in force until terminated by GNLD.
 13. Harmonized Sales Tax (HST) Collection Agreement: By signing this application, I understand that in the Provinces of Newfoundland, New Brunswick, and Nova Scotia, GNLD International has the authority to serve as collection agent for the sole purpose of collection and remittance of Harmonized Sales Tax on products sold to me. It is further understood that this agreement will remain in force until terminated by GNLD.

GNLD International agrees the independent Distributor's territory is open and unrestricted in Canada. GNLD provides procedures for sponsoring Distributors in other countries where GNLD products are sold.

GNLD reserves the right to assure continued service to the Distributor's customers and downline Distributors if for any reason the Distributor is unable or unwilling to do so.

The privileges and benefits of being a GNLD Distributor include the right to sell and distribute GNLD products.

GNLD may change product pricing, shipping charges, and active status requirements at any time subject to notice.

PRODUCT REPURCHASE POLICY

Every GNLD Distributor is entitled to terminate his/her distributorship relationship with GNLD at any time. A terminating distributor may apply for an inventory product repurchase in accordance with the GNLD Policies and Procedures. A terminating distributor's inventory of undamaged, unopened, marketable products, purchased from the Company within one year of the termination, shall be repurchased by a sponsoring Distributor or the Company at a price equal to 90% of the price paid, less all commissions, rebates, awards and bonuses paid to the terminating distributor on the returned products. For further information, contact the GNLD International home office.

Distributor Code of Conduct

The GNLD Distributor Code of Conduct is based on our foundation values that guide everything we do and every decision we make. These values of *absolute integrity, putting people first, producing products that work, providing equal opportunity for all and having a clear, long-range vision* are a heritage that must be preserved, supported and upheld by every GNLD Distributor. All Distributors who join GNLD are required to abide by this Code of Conduct and to uphold the Policies and Procedures as stated in this document.
